

Optional Coverage

Enhance the level of coverage you select with these options:

COMMERCIAL USE: When selected on the Information Page, We will cover repairs subject to the following conditions: Eligible Vehicles: passenger cars, light trucks and vans up to and including one ton trucks used for: route sales and/or route service, inspections, maintenance or repair purposes, carrying tools to a job site, farming and ranching. If towing, the Vehicle must be equipped with the manufacturer's installed towing package and not specifically excluded under Ineligible Vehicles. Note: Extra Maintenance is Required: The owner must perform the manufacturer's "Severe Duty" maintenance service schedule in the manufacturer's owner's manual and provide receipts proving the required maintenance was performed in the event of a claim. Ineligible Vehicles: Multiple driver vehicles and any vehicle used for commercial hauling, delivery, shuttle, taxi/ride sharing services or limousine service, police, law enforcement or emergency services, security services, snow plowing, cable or line installation or removal, any rental vehicle, vehicles equipped with flat beds, dump beds, commercial towing equipment, lifting or hoisting equipment, step vans, high cube vans or box bodies. Vehicles used for carrying or towing payloads in excess of manufacturer specifications are also not eligible.

MOBILITY COVERAGE: When selected on the Information Page, We agree to provide coverage for the Breakdown of factory or factory authorized and installed mobility equipment. This coverage is limited to: chair lift motors and switches, electric/hydraulic ramp-lift motors and switches, hoist and swing arm assembly. All parts must have been installed in the Covered Vehicle by an authorized licensed factory mobility equipment company.

ENHANCED TECHNOLOGY: When selected on the Information Page, We agree to provide coverage for the factory installed Global Positioning System (GPS), instrument cluster, gauges, instrument readouts, temperature control programmer, Active/Adaptive cruise control, laser or radar controller, optical sensors and servo control.

ENHANCED CONVENIENCE AND SAFETY: When selected on the Information Page, We will cover the factory installed parking assist, lane departure and blind spot alarm-sensors and controller. Back-up camera and monitor screen. Seat belt retractors and belt tensioners. Seat heater grids and seat cooling ducts and control switches. Radio and CD disc player, amplifier, power antenna motor. Four-wheel drive actuator motor and control switch.

ENHANCED ELECTRICAL: (Only available on the Powertrain and Plus Coverage) When selected on the Information Page, We agree to cover factory installed wiring harness, distributor, ignition coil(s), fuel injection sensors, fuel injectors, electronic ignition module, electronic control module, body control module, engine management control computer, manually

operated control switches for covered components, rear window heating elements, power window motors, power sliding door and rear hatch lift motors, power window regulators, power mirror motors, power seat motors, power lock actuators. Instrument cluster and gauges. Cruise control module, servo and control switch, electronic level control compressor including its sensor and limiter valve.

EV/HYBRID BATTERY: (Vehicles with less than 150,000 miles at the time of sale). When selected on the Information Page, We will cover the factory installed hybrid drive battery for repairs.

SEALS AND GASKETS: (Only an available option for Powertrain, Plus and Power Coverage levels on vehicles with less than 200,000 miles at the time of sale): When selected on the Information Page, We agree to cover the Mechanical Failure of seals and gaskets for named components in the appropriate coverage level except when the cause of failure is the result of overheating, lack of lubrication or lack of required fluids.

RENTAL PLUS: When selected on the Information Page, We will increase the rental coverage to a total of eight (8) days at fifty dollars (\$50) per day for up to a total of four hundred dollars (\$400) for covered repairs. To qualify beyond the first day coverage requires 4.0 hours of covered repairs. An additional five (5) days of rental coverage at fifty dollars (\$50) per day for up to a total of four hundred dollars (\$400) is available when a covered part is delayed due to Our authorization to source a part from Our supplier due to shipping or back order. Trip interruption assistance is available for a covered event where Your Vehicle is disabled one hundred (100) miles from Your residence for up to three (3) days at one hundred twenty five dollars (\$125) for up to three hundred seventy five dollars (\$375) for lodging and meals.

AIR CONDITIONING: (Only an available option for Powertrain and Plus Coverage). When selected on the Information Page, We agree to cover the compressor, compressor clutch and drive pulley, expansion valve, evaporator, condenser, receiver drier, blower motor.

LIFT KIT-OVERSIZED TIRES: When selected on the Information Page, We agree to waive the Agreement exclusion found in section titled "Exclusions – What is Not Covered" Section A – number 10 stating: "10. A Breakdown caused by or involving modifications, alterations or additions to Your Vehicle unless those modifications, alterations or additions were performed or recommended by the original Vehicle manufacturer" and Section B – number 5 stating: "5. Your Vehicle is modified from the Vehicle manufacturer's original specifications regardless of who and when the modifications were made." Eligibility: Modified Vehicle coverage is only available for a Vehicle with an altered suspension height (limited to a lift of 6" or a drop of 3" or less) and/or oversized tires (limited to a maximum tire diameter of 4" over the original Vehicle manufacture standard tire size). Any suspension alterations or tires outside of the parameters outlined herein are NOT eligible for coverage under this Agreement.

Nation Safe Drivers Roadside Assistance

These benefits are provided for the term of your service agreement for up to \$100 per occurrence, with no annual fee.

Towing Assistance: When towing is necessary, the Covered Vehicle will be towed to the destination of Your choice.

Battery Service: If a battery failure occurs, a jump-start will be applied to start the Covered Vehicle.

Flat Tire Service: Tire service includes removal of the flat tire and its replacement with the Covered Vehicle's spare tire.

Emergency Fluid/Fuel Delivery Service: An emergency supply of coolant, oil, water or fuel will be delivered for Your Covered Vehicle if You have an immediate need. You must pay the Cost of the actual fluid or fuel when delivered.

Lock-Out Assistance: If Your keys are locked inside the Covered Vehicle, assistance will be provided to gain entry to the Vehicle.

Roadside Assistance When You
Need it 24 Hours a Day 365 Days a Year.

This information is intended to provide only an outline of the types of coverages, exclusions, and limitations of the vehicle service contract(s) described in this brochure and should not be relied upon when purchasing a specific service contract. For exact coverages, exclusions, and limitations, please review the service contract itself.

CC.11.19

COMPLETE COVERAGE

VEHICLE PROTECTION BY AGWS

Powertrain

Includes these essential powertrain components listed below.

ENGINE AND WATER PUMP: All internal lubricated parts including crankshaft and bearings, oil pump, fuel pump, timing chain and gears, timing chain tensioners, timing belt and timing belt tensioners, camshaft and bearings, followers/lifters, rocker arm assemblies, push rods, valve guides and valves, pistons, piston rings, wrist pins and connecting rods, flywheel/flexplate, exhaust manifold(s) and motor mounts. Water Pump. The engine block and cylinder heads are covered if damaged by the Breakdown of a covered component. Turbo/Supercharger Equipped: When selected on the Information Page, the factory installed turbocharger(s) or supercharger and all internal parts and their housing are covered. Diesel/Turbo Diesel Equipped: When selected on the Information Page, all internal lubricated parts listed under ENGINE and Turbo/Supercharger plus the diesel fuel injection pump are covered. EV/Hybrid Drive: When selected on the Information Page, the EV/Hybrid drive electric motor, hybrid drive-transaxle and hybrid drive computer are covered.

TRANSMISSION AND TRANSAXLE: (Automatic and Manual): All internally lubricated parts including oil pump, valve body, torque converter, governor, bushings, shafts, gear sets, bearings, modulator, shift forks, synchronizers, transmission mounts. The case housing(s) are covered if damaged by the Breakdown of a covered component. Transfer Case: When the 4WD/AWD box is selected on the Information Page, the transfer case housing and all internally lubricated parts and transfer case mount are covered.

DRIVE AXLE: (Front or Rear Wheel Drive Equipped): Drive axle housing and all internal lubricated components including carrier case, gear sets, chain and sprockets, bearings, bushings, thrust washers, axles and axle bearings, limited slip clutch. Drive shaft, universal joints, constant velocity joints.

SEALS AND GASKETS: Seals and gaskets are covered when replaced in conjunction with a covered Breakdown.

TAXES AND FLUIDS: State and local taxes where applicable and fluids required to complete covered repairs.

Plus

Includes all of Powertrain and the enhanced named components listed below.

POWER STEERING: (Steering Gear or Rack and Pinion): Gear box, pump, power control valve, rack and pinion and electric motor (if equipped), rack mount bushings, pitman arm, idler arm, tie rod(s), center link, bearings and shafts.

PRIMARY ELECTRICAL: Alternator/generator, voltage regulator, starter motor, starter solenoid, front and rear windshield wiper motor(s).

PRIMARY BRAKES: Master cylinder, brake calipers, wheel cylinders.

Power

Includes all of Powertrain, Plus, and the enhanced named components listed below.

AIR CONDITIONING: Compressor, compressor clutch and drive pulley, expansion valve, evaporator, condenser, receiver drier, blower motor.

ENHANCED ELECTRICAL: Factory installed wiring harness, distributor, ignition coil(s), fuel injection sensors, fuel injectors, electronic ignition module, electronic control module, body control module, engine management control computer, manually operated control switches for covered components, rear window heating elements, power window motors, power sliding door and hatch lift motors, power window regulators, power mirror motors, power seat motors, power lock actuators. Instrument cluster and gauges. Cruise control module, servo and control switch. Electronic level control compressor including its sensor and limiter valve.

Premier

Includes all of Powertrain, Plus, Power and the enhanced named components listed below.

ENHANCED BRAKES: Power brake cylinder, assist booster, hydro boost, combination valve, compensating valve, metal brake lines and metal fittings. Anti-Lock Brake System (ABS) hydraulic control unit, electronic control module, wheel speed sensors, hydraulic pump or motor, pressure modulator valve, isolation dump valve and accumulator. Parking brake linkage and cables.

FRONT AND REAR SUSPENSION: Upper and lower control arms, control arm shafts and bushings. Radius arm(s) and bushings. Upper and lower ball joints, strut bearing plate(s), spindle and spindle support, wheel bearings, hub bearings. Stabilizer bar, stabilizer mounts and bushings, stabilizer links. Active suspension-variable control compressor, control module height sensor and actuator, mode control switch.

COOLING AND VENTILATION: Radiator, engine cooling fan and fan clutch, electric cooling fan motor and condenser fan motor, serpentine belt tensioner, heater core, heater control valve, thermostat, temperature control programmer.

FUEL: Fuel pump, fuel sending unit, fuel tank.

SEALS AND GASKETS: Failed seals and gaskets for listed covered components.

Exclusive

We will cover the necessary Costs of repairs for any Breakdown to Your Vehicle, less payment of the Deductible amount per repair visit except for those items and terms listed under EXCLUSIONS-WHAT IS NOT COVERED.

Included in all levels of coverage is the replacement of covered components resulting from the gradual reduction in performance due to normal wear and use, when the wear exceeds the manufacturer's specifications.

All Complete Coverage Plans include Nationwide Roadside Assistance with no annual fee.

Additional Benefits

All coverage levels include the additional benefits listed below.

- Towing Assistance
- Rental Assistance
- Roadside Assistance
- Agreement Transferability
